# **WARZONE DISTRO**

**Zine Distro  
& Publisher**  
Literature List Fall 2014

**Greetings friends and comrades,**

**WARZONE DISTRO** is based in the small city of Elgin, Illinois and provides free anarchist/anti-authoritarian literature for prisoners, communities, revolutionaries, and anyone else interested in anarchist reading. This literature list includes reading material on, but not limited to nonhuman animal liberation, earth liberation, gender anarchy, anti-civilization, radical sobriety and decolonization. All literature can either be mailed individually or in bulk (just pay shipping) or emailed as free imposed PDF's. For PDF's, email **warzone\_distro@riseup.net**

**Disclaimer:** All literature is provided for reading, entertainment, information, and general interest only. It is not meant to encourage the activities described within. This literature was just written for the heck of it. We would never dream of encouraging someone to use the information or methods presented within these zines to initiate uprisings and free the earth, human and nonhuman animals from the depths of civilized hell. We would never encourage people to destroy property, institutions and tools used to enslave, torture, and murder humans and nonhumans. We'd much prefer you sit at home watching TV and remain apathetic.
